

Next Steps Idaho Connections

Powered By Nepris

Connecting Idaho Students with
Industry Professionals

WHAT IS NEXT STEPS IDAHO CONNECTIONS?

Next Steps Idaho Connections, powered by Nepris, builds a bridge between education and the world of work. Nepris is a leader in learn-to-work ecosystems. Their platform allows any student at a contracted school to connect “live” with industry experts: locally, across the state, regionally, or nationally.

Local business and education leaders have negotiated a statewide discount for Idaho schools to use Next Steps Idaho Connections.

HOW CAN EDUCATORS USE NEXT STEPS IDAHO CONNECTIONS?

Guest Speakers

Request Industry Professionals to connect with your classroom, provide feedback on projects and presentations, or offer virtual field trips and demonstrations in their work environment.

On Demand Video Library

Supplement lesson plans or plan substitute teacher activities with the largest library of industry-relevant video content for K-12.

Continuous Improvement

Learn directly from employers to bring real-world context into the classroom, while gaining Professional Development hours.

Browse Careers

Use the Next Steps Idaho [career cards](#) to learn more about the occupations discussed in class. The Nepris video library and industry chats could be referenced or assigned as supplemental education material during Senior Projects or annual one-on-one planning discussions.

Career Events

Plan, manage, and track virtual career days and work-based learning events with ease.

Industry Chats

Join virtual sessions offered daily by industry professionals.

Pricing Structure
